Steve McMichael, Mayor

Seeking Nominations for the 2020 Bill Fritcha Memorial Award

Celebrating 10 Years

New Haven has a long and proud tradition of volunteer service. Now more than ever, volunteers are renewing their commitment to help others and make new connections that bring us closer together as families, neighbors and communities. Recognizing and honoring volunteers sets a standard of service, encourages a sustained commitment to civic participation, and inspires others to make service a part of their lives. The Bill Fritcha Memorial Award was established in 2011 to recognize the valuable contributions volunteers are making in our communities and encourage more people to serve. We created the Bill Fritcha Memorial Award as a way to thank and honor individuals by their demonstrated commitment and example, and to inspire others to engage in volunteer service.

There are three basic considerations: civic engagement, service to the community with humility, and acts of kindness unknown to most. This award is made through nominations. The nomination process shall consist of a letter of endorsement for the nominee. The letter will need to include the relationship to the nominee; examples of service to the New Haven community with humility; what impact have their volunteer efforts made in New Haven; and examples of acts of kindness that are unknown to most.

A Selection Committee will review all nominations received. We all know someone who is very deserving of this award. Is there anything outstanding or unique about the nominee and his or her character? Has the nominee addressed important issues facing New Haven? Has the nominee made a measurable impact? **All letters of endorsement for nominee submissions must be received no later than February 28th by 12:00 noon of each year for consideration.**

New City Council President

Hello neighbors, as the new City Council President, I'll try to keep you informed about what's going on in our great city. I'm starting my third term on Council representing the 3rd District. I own a business in New Haven and have enjoyed living here since 1982. My lovely wife Jane and I will celebrate our 33rd Anniversary in May. Our son Danny attended New Haven schools, and a few years ago purchased a home and moved back to New Haven with his wife Taylor.

I truly believe the next four years in New Haven are going to be exciting. Our new Mayor, Steve McMichael is so enthusiastic about building our community, it's contagious. We have three new Council representatives. Jeff Turner will be serving the 2nd District, Mike Mowery the 4th District, and Matthew Kennedy the 5th District. They are very excited to join the team and I'm looking forward to their fresh ideas and input.

One of our biggest goals is to communicate with every resident in New Haven. As you're used to, the Insight newsletter that comes with the water bill will continue to talk about events, issues, and solutions in New Haven. We also have a great new way to communicate.

Our new city website www.newhaven.in.gov will be live by the time this newsletter is sent. New Haven residents can now be instantly notified of any issues (water line breaks, accidents, weather events, road closures, construction, etc.) by signing up for a free account and selecting text or email notifications for a variety of situations. City Council and Board of Works meetings are currently being recorded and broadcast on Facebook live. They will also be available to view on our website. There are several calendars to let you know what's going on in New Haven. There are so many new features and capabilities, you just need to check it out for yourself.

Have a question for City Council? You can call or text me at (260) 460-7161 or email me at cdellinger@newhaven.in.gov.

Clothes For Joes

A ribbon cutting ceremony was held on January 26th to formally dedicate a new location of a Clothes for Joes Donation Box in New Haven. All donations will benefit men and women veterans in New Haven and throughout Allen County. Basically, this donation box will accept donations you think could help someone on the streets or veterans in need.

After the opening ceremony, the donation box, and the first of its kind in New Haven, was dedicated allowing another opportunity for the public to donate to military veterans who are in need of essential items. Clothes for Joes is a growing organization that is dedicated to helping veterans through donations made by individuals such as yourself and we are happy to accept any and all donations. Matt Cobb, co-founder of the Clothes For Joes Organization was excited to partner with the City of New Haven to grow their charitable mission to serve those who have served our country.

The Clothes For Joes donation box is accepting donations for both men and women veterans. Right now, the biggest needs are socks and coats. We've already filled the bin several times in the first week, but we know more is needed and we encourage our citizens to donate to those who have served our country. Here's how you can give:
